

A note from Pastor Roger

Looking Back...

As the ministry year winds down, it is hard to believe how quickly another year has flown by. Last week, May 16th was our last Sunday Morning. This Sunday, May 23 we will have a year end party at the Church from 7-8:30. Then we have our Mission Adventure trip June 9-10 and then we are on to next year. So many great memories this past year, from Adventure land ,Grossology Party, Christmas Serving Project, Snow Tubing Party, Boys and Girls Overnighter, STORM Nights, STORM Sunday Mornings, and so much more. It was an amazing year that happened due to the sacrificial service of a number of individuals. I would like to offer a special thank you to Joni Tyner for all her help and energy for the last two years. Aaron and Stephanie Bauer have been amazing. Charnel Graber is the party planning queen. Wes and Daniele Green, Valerie Workman, Peggy Smith and the snack crew, and so many others.

Thank you all so much for service and for helping our students have an amazing year.

.....

Looking Forward...

As we look ahead to fall I am excited to announce some changes that we believe will enhance our STORM ministry. The first is a scheduling/location change. The STORM Sunday morning experience will be moved to **Wednesday nights from 7-8:30** at the main campus. We think the extra 30 minutes and the extra space will clearly enhance our ability to minister to our 5-6 Grade Students. Our focus will still be on teaching our students Biblical truths and practical application. We will have large group teaching time and small group sharing time, as well as game time.

We will carry on our tradition of great parties....including the world famous grossology party, snow tubing party, overnight parties, Mission Service Adventure... We have an amazing team intact to lead this ministry including Aaron and Stephanie Bauer and Wes and Daniele Green as well as many other volunteers, including many parents. Next fall we would like to involve parents even more. In fact we would like to ask if each parent would volunteer one Wednesday night over the course of the year.

I am very excited about the amazing ministry that I believe will happen next year at STORM.
